Understanding the non-dual metaphysics of *A Course in Miracles* is essential in applying the workbook lessons that will change your mind and the way you see the world.

In this series of 4 classes you will learn

- what the *Course* means by “mind training”,
- how to integrate the metaphysics into your life,
- the significance of accepting you are a mind,
- how to use your mind on behalf of awakening.

The purpose of offering this class is to present *A Course in Miracles* as a path to inner peace so that you can decide if it is right one for you.

This is an ideal class for beginners and ongoing students who want to review the metaphysics. All are welcome. Taught by Lyn Corona and Whitney Walpole.

*Lyn Corona began her study of A Course in Miracles in 1976 and has been teaching its message of peace through forgiveness for more than 20 years. She is a founder, Director and faculty member of School for A Course in Miracles, formerly School of Reason. Whitney Walpole is a graduate of the SACIM's Course Immersion Program.*

*Located in Denver, Colorado, the School for A Course in Miracles was founded in 2007 as a school for students and aspiring teachers of A Course in Miracles. The school offers accelerated learning programs leading to the Course's goal of inner peace and the attainment of the real world.
