

“JOURNEY THROUGH THE WORKBOOK OF A COURSE IN MIRACLES”

*Study Group, Thursday Evenings, 7 p.m.
Beginners Welcome Anytime!*

Many of us think that *Journey through the Workbook*, Ken Wapnick's 8 volume release, is the hottest and most exciting thing, besides the Course itself, to come out of the Foundation for *A Course in Miracles*.

Both brand new and 20 plus year *Course* students have been “blown away” by the depth and comprehensive insights of this particular work by Ken. It has added and continues to add whole new levels of understanding to each of our own journeys with the *Course*.

We consistently hear comments like.....

“I feel like both Jesus and Ken are sitting there with me, directly talking to me and gently encouraging me on...”

Our group process is to cover usually one lesson per week, reading one paragraph at a time, then giving each participant a chance to comment or ask questions. Call ahead to see what our current lesson is.

All are welcome to attend at any point to see if this group is for them.
